

Laboratory Work Policy

Attention Patients/Responsible Party:

You are responsible for all laboratory charges for all specimens sent to any private, outside laboratory, including - but not limited to - Sonora Quest, Smith Kline Beecham and Labcorp. These private laboratories are not a part of Chandler Pediatrics. They are separate companies and as such, they will bill you and/or your insurance carrier separately from any of our charges.

Chandler Pediatrics will make a good faith effort to ensure that you specimens are sent to a laboratory contracted with you insurance carrier; however, it is ultimately your responsibility to ensure that all services for medical care are rendered by a provider contracted with you insurance carrier. Therefore, if your insurance carrier denies your laboratory services for any reason, including that the laboratory is not contracted, **Chandler Pediatrics will not be held liable for your laboratory charges/fees.**

We reserve the right to deny service to any person who fails to comply with the above information.

____ Yes, I have read and agreed to the above information. I understand that I am responsible ensuring that all services are rendered by a contracted provider. I further agree and understand that I am personally and fully responsible for all laboratory charges in the event my insurance carrier denies the laboratory claim for any reason. Finally, I agree that Chandler Pediatrics will not be held responsible for my laboratory charges.
